*Call to Worship

Let us be kind to one another, tenderhearted, forgiving one another, as God in Christ has forgiven us. Therefore let us be imitators of God, as beloved children and live in love, as Christ loved us and gave himself up for us.

*Opening Prayer

Gracious God, we praise you for blessing us with the perfect example of your love in human form -Jesus, your Son, our Lord . He showed us the true meaning of love and forgiveness through actions shaped by grace and compassion. His anger was always a just anger - exercised when he saw people exploited and treated unjustly. He did not just imitate your love, O God, he lived it. Lived it to the uttermost so that we might be empowered by your Spirit to live in love also. We offer this time of worship and praise in thanksgiving for the blessed gift of Jesus in whose name we pray. Amen
